The screenshot shows the Inside Bitcoins website homepage. At the top, there's a navigation bar with 'News', 'Join Our Newsletter', and 'Contact/Advertising'. Below that, there are several featured sections: 'Bitcoin News Features' with a 'MICROMONEY' sponsored article titled 'Financial Inclusion to the Global Economy for Everyone', 'Inside Bitcoins Price Tracker' showing a price of \$4563.47, and a 'News' section with articles like 'Eyeing the Asian Market, Matchpool to Dual Launch on Qtum and Ethereum' and 'BITPay Is Growing? Startup Suspensions Are Fueling Bitcoin's Fork Debate'. On the right side, there's an 'Event Schedule' section for 'Inside Fintech Seoul' and a 'BitClave' advertisement for a 'DECENTRALIZED SEARCH' token sale.

The screenshot shows an article page on the Inside Bitcoins website. The article is titled 'Bitcoin Price Watch; Breakout And Inrange In Play' by Samuel Rae, dated Oct 06, 2017 07:08 am. The article discusses the European session in bitcoin price trading and mentions that it's time to put some levels together. It also mentions overnight action and provides a 'View Article' link. Below the article, there's a section for 'Upcoming Events' for 'Seoul' on Nov. 30 - Dec. 1, which is the 'Inside Fintech Conference & Expo'. The page also features social media icons and buttons for 'Inquire about advertising', 'Forward this email', and 'Subscribe to newsletter'.
